

IFAI EXPO 2020 COVID-19 CORONAVIRUS UPDATE

As the organizer of IFAI Expo, IFAI's primary concern is and will always be the safety of our members, attendees, exhibitors, vendors, industry partners, staff and others involved in the show.

Based on the information we have today, we are planning for IFAI Expo to happen as planned on November 4-6, 2020 in Indianapolis, IN USA. We are closely monitoring the COVID-19 coronavirus situation and will follow any protocols provided by international, federal and local government and health agencies including Centers for Disease Control (CDC), the World Health Organization (WHO) and the state of Indiana Department of Health.

We recognize that the situation is rapidly evolving and that alternative plans may be necessary as the date of the event gets closer. If the situation changes, we will update this statement and inform all IFAI Expo participants.

Until then, be well!
