

FASTENING SOLUTIONS

YKK
Little Parts. Big Difference.®

Are issues like these hurting your productivity and costing you money?

- Time-consuming, manual processes
- High scrap rate and wasted material
- Inconsistent quality leading to customer claims
- Piles of inventory
- Managing a complex assembly process across multiple vendors
- Rising production expenses

YKK has the solution! Our team can work with you on...

- Process improvement
- Custom machinery
- Assembly service
- Collaborative development
- And more by request
